

Staff Name: Stewart, Katie

Lesson Name : Mixed Media Poetry Project

Course Name: Art I

Lesson Unit: KS - Production, Performance and Exhibition of Visual Arts

Lesson Topic: Themes in Art Forms

Lesson Dates:

04/01/2019-04/30/2019 Time Slot(s): Art 1

Non-instructional Days:

None

TEACHER LESSON PLAN DESCRIPTION

Students create a mixed media piece that represents the theme, idea, core concept, emotional evocation, or other personal response to a poem. Mixed media items can include acrylic paint, soft pastels, oil pastels, crayons, colored pencils, markers, watercolors, found items, cloth/fabric, glitter and sequins, craft sticks, google eyes, graphite, newspaper, construction paper, stamps, beads, or other approved media.

TEACHER LESSON PLAN INSTRUCTIONAL PROCEDURES AND ACTIVITIES

Estimated Time Frame: 2 weeks (but are given the whole month of April - National Poetry Month)

Procedures:

1. Students research and choose a poem they have a strong emotional connection to or that they really like and enjoy.
2. Students print off a copy of the poem or save it to Google Docs
3. Students sketch and/or plan out which materials they want to use and what they want their piece to look like
4. Students create a mixed media piece that represents their poem or their emotional connection/response to it
5. Students write a reflection on why they designed their piece like they did and how it is connected to the poem or their emotional response to the piece
6. Students turn in piece, reflection, and poem

TEACHER LESSON PLAN STUDENT LEARNING OUTCOMES

1. Students create a mixed media piece.
2. Students display an emotional response through art.
3. Students successfully integrate multiple types of media together to create a successful piece.
4. Students analyze a piece of poetry in order to create a work of art about it.
5. Students practice and utilize multiple adherence and attachment techniques.
6. Students utilize multiple media skills that have been learned throughout the year.
7. Students successfully integrate the elements of art and principles of design into a piece.

TEACHER LESSON PLAN MATERIALS
